## 1963-74 Dodge Full Size V8 Dual Exhaust w/2 Mufflers

### 1963-74 Dodge Full Size V8 Dual Exhaust w/2 Mufflers

\$624.00 – \$1,092.00

This listing covers model years 1963, 1964, 1965, 1966, 1967, 1968, 1969, 1970, 1971, 1972, 1973, and 1974 Charger, Coronet, Monaco, and Super Bee's stock with the V8 and dual exhaust with 2 mufflers. **Excludes 1966-70 Dodge Coronet's and Charger R/T's with 426ci or 440. For those applications, please refer to listing 528714. Also excludes 1971 Dodge Charger's, Charger RT's, and Super Bees that were stock with the 440ci. We do not have complete system for 1971 440ci. We can help with the muffler and tailpipes (only). The exhaust pipes were never reproduced and without patterns, we cannot offer a complete system.**

There is no 318 Charger dual system available.

Photo depicts the system for a 1973 Charger (pipes will vary between engines).

- Complete Dual exhaust system consists of LS/RS exhaust pipes (some models have front & rear exhaust pipes), LS/RS mufflers, and LS/RS tailpipes. Chrome tips which are **not** included.
- MY 1973 have a front and rear exhaust pipe on the LS and exhaust pipe on the RS.

OEM Sound Level

All mufflers are built to the OEM specs. Our Mild Impostor's and Impostors allow you to keep your vehicle stock while changing your exhaust notes. Our Mild Impostor is a middle of the road turbo muffler, designed to give your exhaust a deeper, throatier tone. Our Impostor is a high performance, aggressive turbo muffler.
